DEHIRING AND ISSUING EQUIPMENT:

Issue: Collecting equipment from a Loscam depot

In order to Issue equipment from a Loscam depot there must be written authority received at the depot from the account holder. This authority must be received prior to the pick-up and include the following information:

1. Account Number
2. Company Name
3. Type of equipment
4. Quantity of equipment
5. Transport company
6. Date of Issue

Dehire: Returning equipment to a Loscam depot

Please provide the driver/ transport company with the details of your account number. This will ensure the equipment is dehired off the correct account number.

Please do not send equipment control dockets for an issue or dehire to Loscam for processing. The ECD should only be used in this instance to track the issue or dehire of equipment on your invoice.

The equipment will be issued or dehired off or onto your account at the relevant depot using a depot control docket, which will be issued to the driver.
