Loscam IBC I6

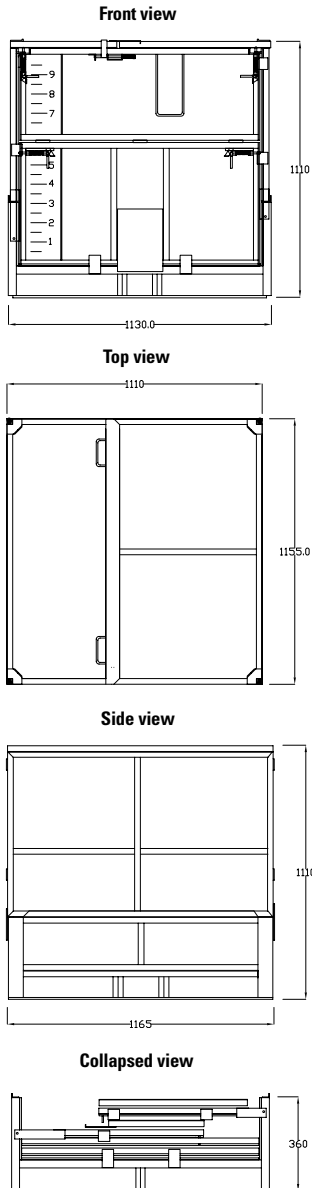

The Loscam IBC I6 has been developed in conjunction with global food and beverage companies to provide a best in class bulk handling solution. Like the Loscam Wooden Pallet, the Loscam IBC is the lightest IBC on the market providing our customers advantages in manual handling and gains in transport efficiency. With its unique integrated lid the IBC also assists our customers in the handling and tracking of rented units.

Applications

- > Ideal for: dairy, fats & oils, glucose, liquid sugar, mayonnaise, wine, malt extracts, pharmaceutical & other liquid food ingredients
- > Lockable on discharge outlet & lid, tamper proof lid with unique lid latch
- > ISO container compatible, 4 way pallet entry.

Features & Benefits

- > 15% lighter than other IBC's without compromising strength
- > Truly chemical resistant translucent front panel with 50 litre increments
- > Maximum discharge of product enabled by low level discharge outlet
- > Unique one piece design with hinged lid for ease of handling and better equipment control
- > Modular design maximizes efficiency of storage and transport space.
