RPC AL (Active Lock)

New, improved design with 'Active Lock' for fast, easy and safe operation.

- Folds easily without applying any pressure
- 'Active Lock' secures the RPC when erected
- Panels fold easily and quietly when lock is released
- Foldable and stackable to maximize truck and store space
- Support cross stacking
- Long-lasting crates replace traditional packing, provides great cost savings over disposable material
- Robust construction ensures products are well protected
- Extra lightweight for handling ease
- Ideal for picking orders at your depot for direct store delivery
- Environmentally friendly, fully recyclable
- Available in your choice of color
- Easy to clean polymer – resists moisture, insects and fungi; impervious to acids, fats, solvents and odors
