The Loscam Pallet Cage has been developed with the particular needs of our customers in mind. Ideal for storing and moving difficult to handle freight or freight high in value that requires additional protection.

Attaches directly to Loscam Asia Pallet for maximum utility.

For long term hire arrangements the Pallet Cages are able to be configured for individual needs.

## Applications

Applicable for distribution centres, manufacturing, operations, delivery applications, retail applications and display ready solutions.

- > Retail friendly with fold down sides to enable consumer access to products
- > Reduced need for outer packaging which in turn decreases waste and reduces carbon footprint
- > Stackable and stable allowing vertical product storage solution in warehouses and in transport
- > Stackable and stable allowing maximum cube utilisation of vehicles
- > Connects easily to existing pallets and collapses for reverse logistics

## Features

- > Constructed with added strength and durability to withstand constant use
- > Access from both sides through Half Drop Panels (even when stacked)
- > Easy to fold and store to save space
- > Easy loading to trucks
