LOSCAM ONLINE VERSION 4 ACCESS APPLICATION

LOSCAM ONLINE - CONDITIONS OF USE

LOSCAM will make all reasonable efforts to keep the online account data available accurate and up-to-date. LOSCAM does not warrant the quality, accuracy or completeness of any material contained on the Web site.

To the full extent permitted by law, LOSCAM will not be held liable for any damages or injury resulting from your access to, or inability to access, accuracy or your reliance on any online account information provided on this site.

The online account information provided on this site is made available to all registered LOSCAM approved account holders and in turn the legal Loscam Online account holder (Administrator), is then liable for controlling their own employees or agents access to their LOSCAM account information and ensuring that any additional users, access codes, pass codes or passwords, personal identification number or other procedures relevant to obtaining access to the Web site and/or online account information are safeguarded against disclosure, and are not disclosed, to unauthorised third parties, including any administration access rights granted to LOSCAM. Once the online account is activated it becomes the responsibility of the legal LOSCAM Online account holder (Administrator) to ensure all users have actual authority to access the users LOSCAM account information and are made aware of the limits of their authority to access the users LOSCAM account information and advise LOSCAM if they have a change of Loscam Online Administrator and they require the login ID and password to be cancelled. This responsibility also applies if there is a change in business ownership. Any access made to a users LOSCAM account information will be deemed to be made by a user with actual, apparent or ostensible authority.

The online account information is provided as a service to LOSCAM customers, and LOSCAM reserves its right to change, modify or delete the information made available to its customers at any time without notification to its users. LOSCAM at its discretion may also choose to introduce usage fees for online services.

Any transactions, correction requests, adjustments or other information lodged via the online site may, at LOSCAM's sole discretion, need to be verified, validated and also need to meet the requirements as described in your LOSCAM account application terms and conditions before they can be considered for processing.

While LOSCAM will make all reasonable efforts to enforce its security protocols on data downloaded by its customers, to the full extent permitted by law LOSCAM will not be held responsible for any damages or loss resulting from data downloaded should it be found to be infected by viruses.

All data and information accessible through this system is deemed to be confidential in nature and deemed to be the proprietary information of LOSCAM.

When you access the Web site, LOSCAM may make a record of your server address, domain name, the date, time and duration of your visit and the pages you accessed, for statistical and security purposes only. LOSCAM will not disclose your name or email address to any third party unless required to do so by law. Your web server may receive cookies from our web server in order to improve the functionality of our website and for security purposes. The Web site does not store any personal information in cookies.

The user must not reverse engineer (including, without limitation, reverse assemble or reverse compile) or directly or indirectly allow or cause a third party to reverse engineer the whole or any part of the Web site (including materials available on the Web site) and must not attempt to access, copy, modify, alter or tamper with the Web site or material on the Web site other than a expressly authorised by these terms and condition or allow any other person to do such act.

Any feedback received by LOSCAM in relation to its website content and products will become the property of LOSCAM and LOSCAM may choose to implement or act on this information at its own discretion.
