Loscam Plastic Pallets - PP7

Loscam Plastic Pallet PP7 is suitable for storage and palletized transportation of heavy goods. The PP7 has wide applicability and especially suitable for scenarios with high requirements of hygiene, such as food & beverage, packaging materials, condiment and pharmaceutical production industries.

Benefits

- Modular design, stable structure and strong application versatility reduce maintenance costs and lengthen pallet life cycle
- Anti-slip belt design increases friction between goods and pallet, and between pallet and the floor, allowing steady goods stacking
- Built-in steel pipe, allowing high support and capacity for heavy goods
- Good fit for warehouse with Automatic Storage & Retrieval System (ASRS)
- Embedded RFID tag slots for easy goods tracking and inventory control
